

Weddings

The Church is available for weddings. All rules of the Building Use Policy must be followed during weddings and associated events. All regular members of the congregation are entitled to the use of the church for a wedding service. Non-members will be accommodated at the discretion of the pastor. Members will be defined as persons having been received as a member of First Rowlett by transfer of letter or vows at least 6 months prior to scheduling of wedding date.

A \$100 deposit must be paid at the time the event is scheduled, and payment in full shall be due 2 weeks preceding the scheduled wedding date. The deposit is not considered part of the payment as it will be held until the event has taken place and will be returned within 2 weeks afterwards.
